

Korneuburg, June 2009

HTI AG forms a new worldwide operating extrusion group

**Theysohn - Technoplast - Topf are working together
under the common registered trademark
High Tech Extrusion**

Dear Sirs,

An emotional history goes along with the field of extrusion. Now a new extrusion brand will arise with the claim to be the ONLY "ALLINONE"-SUPPLIER. Take the opportunity to inform yourself how **HIGH TECH EXTRUSION** can influence your chances and possibilities with its 30 YEARS EXPERIENCE IN EXTRUSION TECHNIQUES.

On April 1st, 2008 the Theysohn-Group and on July 1st, 2008 the Technoplast-Group were incorporated by the stock quoted Austrian technology-concern High Tech Industries AG, St. Marien/Austria.

This change of ownership was followed by a phase of evaluation of strengths and possibilities of the companies as well as an analyzing examination of customers' requirements and the massive market changes worldwide of the last months. This phase has been concluded with a clear commitment:

We started 2009 with a clear focus on

- Forceful implementation of our values PARTNERSHIP AND RELIABILITY
- Extrusion technology as the only "ALLINONE"-SUPPLIER
- PRODUCTION OF EXTRUDERS, DOWNSTREAM, TOOLING, SCREWS AND BARRELS
- Concentration on our CORE-COMPETENCE "PVC-EXTRUSION"
- Focus on extrusion of PROFILES, PIPES, SIDING
- Adaptation and RESTRUCTURING OF OUR THREE PRODUCTION SITES
- FURTHER DEVELOPMENT OF OUR TECHNICAL SOLUTIONS

THEYSOHN EXTRUSIONSTECHNIK GmbH

A MEMBER OF  HTI GROUP

To enforce our new trade mark all involved companies forming the **HIGH TECH EXTRUSION GROUP – THEYSOHN, TECHNOPLAST and TOPF** - will contribute their best products and technologies to form excellent technical solutions for your benefit.

For the manufacturing of our products and for a strong performance we are operating three production sites with following focal points:

Korneuburg, Austria
Micheldorf, Austria
Salzgitter, Germany

Theysohn & Technoplast extrusion machines
Technoplast and Topf extrusion tooling
Theysohn screws and barrels

As before, our customers can reach us at our manufacturing sites as well as at our sales offices in Moscow, Russia, and Pune, India.

You see that we move with big steps into a new future!

The companies Theysohn, Technoplast and Topf were considerably shaped by outstanding characters. We want to thank the former owners and founders for their achievement and encouragement. At the time we have to point out that only the new management is now in charge to deal with your requirements.

In the next days your appropriate key account manager will contact you for introducing the responsible sales and support team.

Form the common future of extrusion together with us. Accept our offer for discussion. We are looking forward to your suggestions and not least to your requests and orders. The HIGH-TECH-EXTRUSION-TEAM assures you a dedicated and fair cooperation.

In the spirit of our new future:

transforming ideas - performing solutions
HIGH TECH EXTRUSION

Best regards

Dipl.-Ing. Xaver Gruber
Managing Director
Theysohn Group, Technoplast Group
